5. (Confidential - JGO) Mr. Maury and [redacted] met with Messrs. John Martiny and Richard Barton, House Post Office and Civil Service Committee staff, and reviewed with them the present Committee considerations relating to the upcoming hearings on "invasion of privacy of Federal employees" type legislation. It was agreed that an interim response to Chairman Hanley's letter to the Director of 1 April might be in order which would include a positive statement of the need for Agency exemption from such legislation. [redacted] and Mr. Barton will get together on 26 April when Mr. Barton plans to be back from a trip out of the city with Chairman Hanley to schedule a meeting with Chairman Hanley for later that week.

8. (Internal Use Only - RJK) Delivered employment brochures to Mary Flanagan, in the office of Representative Walter Flowers (D., Ala.).

9. (Internal Use Only - LLM) Robert Hull, Department of State, called to discuss several legislation items of mutual interest: the Ervin bill and retirement (funding, benefits and cost-of-living). See memo for record for details.

The Secretary of State has received a request to testify before the Hanley Committee after Easter recess, but it is possible that William Macomber, Deputy Under Secretary, will appear instead. In response to Mr. Hull's question, I suggested that he contact Chairman Hampton's office, Civil Service Commission, to check with CSC and OMB to get a reading on the Administration's position on the bill this year.
